

Cub Scout Roundtable Breakout Discussion

Cub Scout Roundtable Discussion Family Dens

1. How are the dens in your pack organized?
2. What do you like about the way your pack organizes dens?
3. Do you have any challenges with the way your pack organizes dens?
4. Did you learn anything new from this roundtable that you plan to take back to your pack? If so, what was it?

Pass the Balloon Elbow Game

This fun and simple game requires coordination and teamwork and is a great way for members of a den or pack to work together toward a common goal.

Scouts form a circle and try to pass the balloon around the circle using only their elbows. Scouts can try using one or both elbows. Scouts can count the number of times the balloon goes completely around the circle and add up points for the whole den or pack.
