Introduction

April 2024

The Local Council Guide to the IRS Form 990 is meant to be shared with the council's tax professionals, audit committee, Scout executive, president, treasurer, accounting staff, and trustee(s). It is recommended that it be made available to the entire board of directors or trustees in the same manner as the organization makes available its IRS Form 990 for review. This guide is <u>not</u> meant to be a replacement for the IRS instructions. Rather, it is meant to provide responses to Form 990 questions and provide required descriptions and disclosures that are common to all local councils and trust funds that are listed on the BSA group exemption filing. As always, we recommend that you consult with a tax professional licensed in your state before making any tax-related decisions.

Sample Local Council Form 990 and Council Trust Fund Form 990

Chapter 1 of this Guide includes discussions about council governance and tax compliance, new developments, compensation reporting, Form 990 special instructions, and a checklist specific to local councils and their trust funds, among other topics. Chapters 2 and 3 of this Guide include sample 2023 IRS Forms 990.

The following information is intended to apply best practices to promote good governance and federal tax compliance in local councils. The IRS does not require the policies listed in Part VI of Form 990, but the policies must be approved by December 31 of the year for reporting. Trust funds must have a separate EIN from the local council. All councils are required to file a separate IRS Form 990 or 990-EZ for their endowment trust funds (or 990-N for trusts that are not supporting organizations) unless the council has a letter from the IRS requiring the trust fund to be included in the council IRS Form 990. This is the case even if the local council includes its trust fund(s) in its consolidated financial statements.

The tax-exempt status of local councils and their trust funds is certified annually in the BSA's group exemption filing. Please provide a copy of the Forms 990 (and 990-T, if applicable) to the National Council no later than August 15, 2024 to allow sufficient time for review and preparation of our group exemption filing in September. You may now submit copies electronically by emailing them to audits.990@scouting.org.

Only trust funds that substantially conform to the IRS-approved model and framework established in 1970 can be listed under the BSA's group exemption. The IRS-approved model requires a corporate trustee. The requirement that funds be vested in a bank or trust company refers to a bank or trust company acting as trustee, not just as custodian.

Councils with trust funds that do not substantially conform to the IRS-approved model and framework from 1970 are encouraged to amend their trust documents to substantially conform. In the past, the IRS has not usually approved local council requests for a separate determination letter as an alternative to the trust substantially conforming to the IRS-approved model.

Local councils are, and continue to be, responsible for compliance with federal tax laws related to tax-exempt status. Councils may also be required to file IRS Form 990-T. Local councils must rely on qualified state-licensed professional advisers for assistance.

A Note Regarding Governance

The IRS has maintained for some time that a direct relationship exists between exempt organizations adopting and following good governance practices and their compliance with the tax code. An IRS study* indicated there were correlations between good governance practices by charities and their compliance with IRS rules. The study found that charities are more likely to follow IRS rules if they:

- Have a written mission statement articulating their current 501(c)(3) purposes
- Use comparability data when making compensation decisions
- Have procedures in place for the proper use of charitable assets consistent with their mission
- O Have the entire board of directors review the IRS Form 990

The study also indicated that a not-for-profit organization (NFP) whose entire board is engaged in what is being reported on correlates to better compliance. Conversely, among NFPs examined by the IRS, those organizations that said control was concentrated in one individual, or in a small, select group of individuals, were less likely to be tax compliant.

A good place to start the IRS Form 990 review process would be with your council's audit committee. During the meeting where the audit committee determines whether it will recommend that the board accept the council's audited financial statements, it could also review a draft of Form 990. If no changes are suggested, it could then recommend that the return be presented to the entire board for a final review before it is filed.

Take a few extra minutes and carefully review Part VI, *Governance, Management, and Disclosure,* of the sample returns. The responses and Schedule O explanations for the policy-related questions in Part VI are meant to represent best practices that should be in place in all local councils.

^{*} To obtain data concerning the relationship between good governance and tax compliance, the IRS undertook a study, commencing in October 2009, in which IRS agents completed a governance checksheet at the conclusion of their examinations of 501(c)(3) organizations.

The Basics

When to file

File Form 990, 990-EZ, 990-PF, and 990-T by May 15, 2024. If more time is needed, use Form 8868 to request an automatic six-month extension of time (to November 15, 2024) to file. Note: The 990-N due date cannot be extended, but there is no penalty for submitting it late unless it is the third (and only) year. It is strongly recommended that local councils and their trust funds make every effort to file their returns by May 15, 2024.

Filing thresholds

Both gross receipts and total assets thresholds remain at their 2022 levels. Local councils and trust funds with gross receipts greater than or equal to \$200,000 *or* total assets greater than or equal to \$500,000 at the end of the tax year must file Form 990. Councils with annual gross receipts of \$50,000 or less are required to file Form 990-N (e-Postcard) if they choose not to file Form 990 or 990-EZ. Councils that fall in between may file Form 990-EZ. Note: Section 512(b)(13) controlling organizations (your council may be one of these if it has a trust fund) must file the full Form 990 if there was a transfer of funds between it and the controlled entity (i.e., trust fund). Section 509(a)(3) supporting organizations (your council's trust fund may be one of these) must file Form 990 or 990-EZ, even if its gross receipts are normally \$50,000 or less. Councils with \$1,000 or more of gross income from an unrelated trade or business and/or must file Form 990-T.

What's New

Changes to the 2023 Form 990, schedules and instructions

Most of the changes to the 2023 Form 990, schedules and instructions are relatively minor clarifications and updates. Some of the more significant changes include:

- Schedule A, Part I, Line 12e: The instructions clarify that a grantor to a supporting organization can rely on the supporting organization's IRS exemption determination letter, for the purpose of determining the supporting organization's type (e.g., Type I, Type II, Type III), until the IRS makes a public announcement that it qualifies as a different type of supporting organization.
- Schedule A, Part 1, Line 12g: For 2023, if a supported organization is not specifically identified in its supporting organization's organizing document (e.g., Articles of Incorporation), the supporting organization must explain why in Part VI of Schedule A.

Electronic filing required for all Forms 990 for 2023 tax year

The Taxpayer First Act, which was signed into law by President Donald Trump on July 1, 2019, changed the requirements for tax-exempt organizations to require electronic filing of all returns in the Form 990 series and certain other forms starting with the 2020 tax year. This means that all local councils and their trust funds must file their 990 series returns electronically for the 2023 tax year. If an organization is required to file a return electronically but does not, the organization is considered not to have filed its return, even if a paper return is submitted.

Council-registered Units (CRUs) and Form 990

As CRUs become more prevalent among local councils, we urge you to review with your tax professionals these units' relationship with your council for 990 purposes. <u>As units transition from Charter Organizations to CRUs, it is crucial that the unit uses the correct Taxpayer Identification Number (TIN)</u>. This is especially important because of new 1099 reporting requirements. Read on...

[From Fiscal Policies and Procedures for BSA Units, revised May 2023]

"The IRS introduced new reporting requirements for payments received for goods and services, lowering the threshold to \$600. Third party settlement organizations, such as PayPal and Venmo, will be required to provide customers with a 1099-K form if they receive \$600 or more in goods and services transactions during the 2023 tax year. Charter Organization Units and Council Registered Units utilizing PayPal or Venmo should ensure they are using appropriate EINs and following all policies and procedures. Parents of/Groups of Citizens Units should consult their own tax advisors." If a unit is using an incorrect TIN, there is a risk that transactions may be improperly reported to the IRS, possibly creating a tax liability where none should exist. Please be sure to review with your tax advisor the documents referenced above and take an inventory of your council's CRUs' TINs to ensure proper tax reporting.

Reporting forgiven PPP loans and ERC refunds on Form 990

The Coronavirus Aid, Relief, and Economic Security Act (CARES Act) established the Paycheck Protection Program (PPP) to provide loans to small businesses as a direct incentive to keep their workers on the payroll. The loans are forgiven if all employee retention criteria are met and the funds are used for eligible expenses. <u>Amounts of PPP loans that are forgiven may be reported on line 1e, Part VIII.</u> <u>Statement of Revenue</u>, as <u>Government grants</u> in the tax year that the amounts are forgiven.

The CARES Act also established the Employee Retention Credit (ERC), which is a refundable credit against certain payroll taxes reported on IRS Form 941, allowed to an eligible employer for qualifying wages paid between March 13, 2020, through and including September 30, 2021. Eligible councils that have not yet claimed (or incorrectly claimed) any ERC for qualified wages paid during this period, may still

obtain the ERC by amending their quarterly employment tax returns, i.e., Forms 941-X, Adjusted Employer's Quarterly Federal Tax Return or Claim for Refund. Regardless of whether the credit was applied to (and reduced) a payroll tax liability reported on Form 941 or received (in cash) as a result of amending Form 941, the credit should be reported on line 1e, Part VIII. Statement of Revenue, as Government grants in the tax year that the amounts are received/used. Do not report these amounts as reductions of payroll tax expense.

Reporting information from third parties

The general instructions clarify that an organization should make *reasonable efforts* to obtain information from third parties needed to complete Form 990. Some lines request information that the organization may need to obtain from third parties, such as compensation paid by related organizations; family and business relationships between officers, directors, trustees, key employees, and certain businesses they own or control; the organization's distributive share of the income and assets of a partnership or joint venture in which it has an ownership interest; and certain transactions between the organization and interested persons. The organization should make *reasonable efforts* to obtain this information. If it is unable to obtain certain information by the due date for filing the return, it should file Form 8868 to request a filing extension. See *General Instructions, Item F. Extension of Time to File*. If the organization is unable to obtain this information by the extended due date after making reasonable efforts and is not certain of the answer to a question, it may make a reasonable estimate, where applicable, and explain in Schedule O.

Requirement to file

The instructions for *Heading. Items A—M* clarify that an organization that is required to file a Form 990 or Form 990-EZ or submit a Form 990-N for a given tax year must do so even if it has not yet filed a Form 1023 or 1024 with the IRS (or been granted tax-exempt status under the BSA's group exemption). This may be the case with certain local council trust funds that had previously not filed separate Forms 990 or 990-EZ. If your council is in this situation or you are uncertain of the filing status of your council's trust fund, please contact Member Care at 972-580-2489.

State filing requirements

Many states require not only a renewal or update of corporate status but also a copy of the Council's IRS Form(s) 990. Local councils should consult with their state-licensed professionals to ensure compliance with the laws in their state.

Contributions to BSA Settlement Trust [As applicable to your council]

Note: The following information should only be considered as a resource and should not be acted upon before consulting your council's audit committee, tax professionals, and legal counsel.

In the sample Form 990 included in this year's Guide, our model council has placed its BSA Settlement Trust contribution amount in escrow per the terms of the restructuring agreement. As of December 31, 2023, the Settlement Trust had not yet been funded. The escrow agreement with Bank of New York Mellon (the escrow agent) states that "...The Escrow Account and the Escrow Property shall be the property of the Local Councils at all times until the release of the Disbursement Amount...." Accordingly, the model council has included the escrowed funds in its financial statements as of December 31, 2023 and in Form 990, Part X, Balance Sheet, line 2, Savings and temporary cash investments. The box at the top of the page (Check if Schedule O contains a response or note to any line in this Part X) has been checked and the escrowed funds are disclosed on Schedule O.

Our council has also recorded a corresponding liability for the contribution amount (because the actual contribution to the Settlement Trust had not yet been made as of December 31, 2023), which is reported in Part X, Balance Sheet, line 25, Other liabilities. This triggers a "Yes" answer on line 11e, Part IV, to the question "Did the organization report an amount for other liabilities in Part X, line 25?" It also triggers a reporting requirement on Part X, Schedule D and Schedule O disclosure.

Final note: [As applicable to your council] The preceding is just one possible scenario in your council's participation in the BSA Settlement Trust. Be sure to have a discussion with your state-licensed tax professionals, attorneys, auditors, and audit committee before making any disclosures in you council's IRS Form 990.

Form 990—Understanding Compensation—Part VII and Schedule J

The topic of executive compensation, the focus of Part VII of the core form and Schedule J to IRS Form 990, has been both controversial and confusing. Because the information reported in Part VII and Schedule J is open to public inspection, it is crucial to get it right.

Who?

The first step in completing the **compensation** sections of the form is to identify those individuals required to be disclosed in Part VII of Form 990. These persons must have received during the tax year, compensation combined from the **council and related organizations**¹ (like a council trust fund or foundation) and must be identified in the following order:

- Current individual trustees and directors (with voting rights—regardless of amounts paid)
- **2.** Current **institutional trustees** (e.g., for BSA trust funds—regardless of amounts paid)
- 3. Current officers (regardless of amounts paid)
- **4.** Current **key employees** (who received at least \$150,000 in *reportable* compensation—see definition below²)
- **5.** Other five **highest compensated employees** (who received more than \$100,000 in reportable compensation)
- **6.** Persons formerly holding positions described in 1–5 above during the previous five years (who received more than \$10,000 for former directors and trustees and more than \$100,000 for former officers and key employees)

¹Not required to report compensation of less than \$10,000 from each related organization

An employee of an organization (other than an officer, director, or trustee) who meets all three of the following tests applied in the following order.

- 1. \$150,000 Test. Receives reportable compensation from the organization and all related organizations in excess of \$150,000 for the calendar year ending with or within the organization's tax year.
- 2. Responsibility Test. The employee:
- a. Has responsibilities, powers, or influence over the organization as a whole similar to those of officers, directors, or trustees;
- b. Manages a discrete segment or activity of the organization that represents 10% or more of the activities, assets, income, or expenses of the organization, as compared to the organization as a whole; or

²The IRS defines a **key employee** as follows:

- c. Has or shares authority to control or determine 10% or more of the organization's capital expenditures, operating budget, or compensation for employees.
- 3. *Top 20 Test*. Is one of the 20 employees (that satisfy the \$150,000 Test and Responsibility Test) with the highest reportable compensation from the organization and related organizations for the calendar year ending with or within the organization's tax year.

Be sure to talk with your licensed tax preparer about applying the three tests to your council employees to make the right classification on your IRS Form 990.

What?

On Form 990, compensation is broken down into two categories: reportable compensation and other compensation. Reportable compensation [Part VII, columns (D) and (E) and Schedule J, Part II, columns (B)i–iii] is straightforward and generally means compensation reported in Box 5 of the employee's Form W-2 or in Box 1 of a non-employee's Form 1099-NEC. Other compensation [Part VII, column (F) and Schedule J, Part II, columns (C) and (D)] generally means compensation that is not reportable compensation. The instructions to Part VII explain these terms and also provide a table listing various types of compensation and where to report them in Part VII or in Schedule J. Any item of other compensation that is less than \$10,000³ for a given person does not need to be reported in Part VII, column (F), except:

- Tax-deferred contributions by the employer to a defined contribution retirement plan (like Fidelity or Mutual of America 403(b) plans; the local council has this information)
- <u>Employer contributions</u> to the BSA §125 Plan for health benefits (the local council has this information)

³Note that the \$10,000 per item exception only applies to reporting in Part VII of Form 990; it does not apply to Schedule J.

Schedule J, Part II

Schedule J is a subset of persons listed on Part VII of Form 990. Report in Part II of Schedule J each of the council's current officers, directors, trustees, key employees, and five highest compensated employees for whom the sum of Form 990, Part VII, Section A, Columns (D), (E), and (F) is greater than \$150,000.

Also report each of the council's current and former officers, directors, trustees, key employees, and five highest compensated employees who received or accrued compensation from any unrelated organization or individual for services rendered to the filing organization, as reported on line 5 of Form 990, Part VII, Section A. All current key employees listed on Form 990, Part VII, Section A must also be reported on Schedule J, Part II, because their reportable compensation, by definition, exceeds \$150,000.

Part II of Schedule J also "breaks down" certain amounts reported in Part VII, Section A, into more detailed components. For example, where Part VII, Section A, column (D) asks for "Reportable compensation from the organization", Schedule J, Part II, column (B) breaks down reportable compensation into subcolumns (i), Base compensation: (ii), Bonus and incentive compensation: and (iii), Other reportable compensation. Finally, Schedule J, Part I asks a number of questions about benefit offerings and compensation practices.

For more information on this and other topics pertaining to the 2022 IRS Form 990, please contact Member Care at 972-580-2489.

As always, do not make any tax-related decisions without first contacting your state-licensed tax professional.

Special Instructions for IRS Form 990, Core Form, Selected Schedules, and Attachments

Item C. Use the legal name of the council, council number, and street address. For a trust, use the legal name of the trust fund, council number, name of the trustee, and the address where the trust fund normally receives its mail.

Item D. Council trust funds are required to have a separate EIN and file a separate information return.

Item G. If the trust is a supporting organization, it must file Form 990 or 990-EZ. Other trusts with gross receipts of \$50,000 or less must at least file IRS Form 990-N (e-Postcard).

Item H(c). Use the BSA group exemption number: 1761.

Item I. Check the box marked 501(c)(3).

Item K. Councils should check the box for a corporation; trusts should check the box for a trust.

Part I, 1. Use the mission stated in the council articles of incorporation (see attached sample returns).

Part III, **1.** Use the mission stated in the council articles of incorporation (see attached sample returns).

Part IV, 34. Yes, if the council and trust are listed on the BSA group exemption filing. See Schedule R.

Part IV, 35a and 35b. The instructions to Schedule R indicate "... a (parent) organization controls a (subsidiary) nonprofit organization if a majority of the subsidiary's directors or trustees are trustees, directors, officers, employees, or agents of the parent." So, if at least 50 percent of the trust fund's (voting) board members also serve on the board of the council, the trust fund is deemed to be *controlled* by the council and line 35a would be marked "Yes." If the council received any payment from its "controlled" trust fund, line 35b would also be marked "Yes."

Part VI, 1a. Schedule O explanation required for description of the authority of the local council executive committee. See sample Schedule O explanation taken from local council bylaws.

Part VI, 6. Yes. Schedule O explanation: Active members may elect the members of the governing body and approve significant decisions of the governing body.

Part VI, 7a. Yes. Schedule O explanation: Active members may elect members at large, regular members of the executive board, and officers of the corporation other than the Scout executive.

Part VI, 7b. Yes. Schedule O explanation: Active members may vote at the annual meeting to receive and approve financial statements showing the financial position of the corporation as of the close of its most recent complete fiscal year and the results of operations during such year and transact such other business as may come before the meeting. Active members may vote in other regular meetings and special meetings,

including proposals to merge or consolidate.

Part VI, 10a. Yes. Councils have the legal authority to exercise supervision and control of units.

Part VI, 10b. Yes. Units are controlled by Articles IX and X of the Model Bylaws for councils.

Part VII, Section A. For each person listed in Column (A), estimate the average hours per week (if any) devoted to related organizations (e.g., trust funds).

Part VII, Section A, Column (C). For the Scout executive, check both the *Individual trustee* or director and Officer boxes. The instructions now clarify that filers are to check only one "Position" box for each person listed in the compensation table unless the filer is both an officer and a director/trustee of the organization.

Schedule A, Part I. Councils have been determined by the IRS to be public charities and should check box 7. Trust funds have been determined to be supporting organizations and should instead check box 12 and follow the instructions for supporting organizations.

Trusts should <u>not</u> be classified as private foundations.

Schedule D, Part V. List trust assets on the council's Form 990 and the trust's Form 990.

Schedule R, Part V, 2. The council and trust funds are related organizations (the National Council is not). Transactions between councils and trust funds greater than \$50,000 should be reported here.

IRS Form 990 Attachments. Only attachments listed in the instructions are permitted.

For more information on this and other topics pertaining to the IRS Form 990, please contact Member Care at 972-580-2489.

Please review this checklist very carefully before filing IRS Form 990 to ensure that your returns are complete and accurate. We will use this information to prepare our IRS group exemption filing.

When the changes have been incorporated in the return, the audit committee will recommend that it be presented to the entire board of directors for review. Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

At least once a year, the council distributes a conflict of interest certification and disclosure form to its officers, directors and professional employees. The covered persons are required to complete and sign the certification and disclosure form, which is retained in the council files. The certification and disclosure forms are reviewed no less than annually by the Scout executive and treasurer.

Additionally, the council compiles and maintains a list of potentially conflicted entities and individuals. Proposed transactions are then matched against the list as a means of identifying possible conflicts. The Scout executive is ultimately responsible for maintaining the list and screening for possible conflicts of interest.

The Council also requests in writing that its major vendors and service providers disclose any relationship - personal, financial, or otherwise - that the vendor or service provider has with any of the Council's directors, officers, employees or volunteers in order to assist the Council in monitoring compliance with its conflict of interest policy. In addition, the Council periodically reviews major transactions to ensure any compensation paid continues to be reasonable. If a possible conflict is identified with respect to a proposed transaction, the Council follows procedures set forth in its conflict of interest policy to determine whether an actual conflict exists and the procedures for addressing the conflict of interest.

If a covered person fails to disclose an actual or possible conflict of interest, appropriate disciplinary and corrective action is taken including possible termination for a covered employee and prohibition from participating in the deliberations of the governing body for a board member.

Part X - FASB ASC 740 Footnote

The fund adopted the provisions of FASB ASC 740-10-25, which requires that a tax position be recognized or derecognized based on a "more likely than not" standard. This applies to tax positions taken or expected to be taken in a tax return. The council does not believe its December 31, 2023 financial statements include any uncertain tax positions.

At that time, a complete copy of the council's Form 990 and schedules is emailed to each director, where he or she is invited to review the return.

Form 990, Part VI, Line 12c - Explanation of Monitoring and Enforcement of Conflicts

The fund follows the policy of the council, which is to, at least once a year, distribute a conflict of interest certification and disclosure form to its officers, directors and professional employees. The covered persons are required to complete and sign the certification and disclosure form, which is retained in the council files. The certification and disclosure forms are reviewed no less than annually by the Scout executive and treasurer. Additionally, the council compiles and maintains a list of potentially conflicted entities and individuals. Proposed transactions are then matched against the list as a means of identifying possible conflicts. The Scout executive is ultimately responsible for maintaining the list and screening for possible conflicts of interest.

Form 990, Part VI, Line 15a - Compensation Review & Approval Process - CEO & Top Management

Each year the council president appoints an independent compensation and benefits committee whose responsibilities are to review the performance of the Scout executive and to establish a compensation package for him or her subject to approval by the executive board. The compensation of the Scout executive is reviewed and approved using data as to comparable compensation for similarly qualified persons in functionally comparable positions at similarly situated organizations. There is contemporaneous documentation and record keeping with respect to the deliberations and decisions regarding the compensation arrangement.
