

International Camp Staff Program 2025

Information and Application for Councils

Your Council And The International Camp Staff Program

The International Camp Staff Program (ICSP) is an official program of Scouting America (SA) and is coordinated by the International Committee (IC) through the International Camp Staff Program (ICSP) Team. Scholarly research has shown several benefits to youth from having an international friend including aiding in:

1. Personal Development and Fulfilment
2. Gaining a Global Vision
3. Improving Communication Skills and
4. Helping youth Feel at Home In the World.

Together these four elements help prepare our future leaders for their place in the world as they grow older and take on responsibilities.

Councils should view the ICSP as a camp enhancement instead of just a means to fill camp staff vacancies. ICSP participants camp roles must be flexible and focused on the primary ICSP objectives. Experience has shown maximum satisfaction for the council/camp administrators and the ICSP participant when their activities directly support camp program activities.

Objectives Of The International Camp Staff Program

The objective of the International Camp Staff Program (ICSP) is to enrich the lives of Scouts with a unique Scouting experience. International Scouters are a FUN way to:

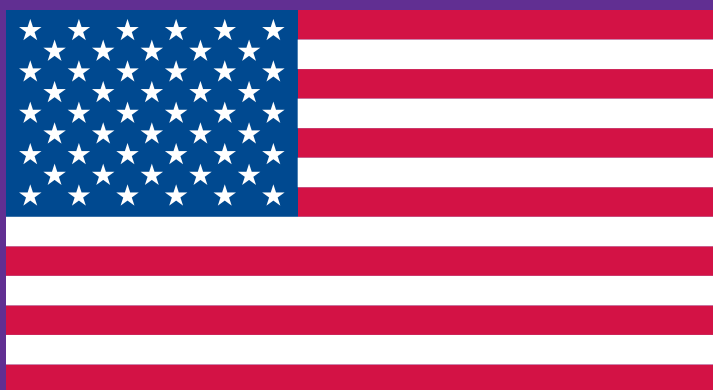

1. Add a living, walking, talking, laughing, joking, dancing and/or singing program enhancement to the summer camp program
2. Bring the flavor of International Scouting to camp as scouts interact with the international staffers
3. Emphasize the Significance to the World Brotherhood Ideal of Scouting and help scouts understand they are one of over 50 million scouts in over 175 countries all working to make a difference in the world.

9. Odyssey bills councils \$520 and Candidates \$40 registration fee and \$35 Sevis Fee
